

Hello again,
Welcome Aleksandra "Sasha",
Layton, Raina, Irene and Caleb
to Sprouts three.

One of our father's day activity:
outdoor BBQ.

Our indoor physical activities:
crawling tunnel, walking on the
giant block and holding eggs
with a toy kitchen utensil. It
not only enhances their fine
motor skills but also their gross
motor skills too.

The children
were busy
decorating
our doll
houses
which were
made of
recycle
boxes.

Love and care are the
Sprouts 3.

main elements in

Taking care of your friends can simply be offering to help scoop a spoonful of fruit during afternoon tea.

Hope you enjoy our newsletter.
