

***Welcome to latest news from the Poppies. What a busy time we had in our Kindergarten rooms as the children were getting ready for their interviews in their respective schools. We assessed the children in the learning outcomes of the Kindergarten guidelines and all the children had their transition statements handed out to their parents. It has been a smooth ride throughout the year for our Poppies children and now they are preparing for their performance in the graduation ceremony. The children are fine tuning their actions for the songs and practicing the parade entry. It is quite a busy time to gather all the children at the same time as they attend the centre on different days. We try our best to accommodate everyone in the practice sessions. The colour for the ceremony is white and the girls can wear a white dress or white top and pants of any colour. The boys need a white shirt and pants of the colour of their choice. All the children are asked to bring a pair of sunglasses to the practice sessions as we need it to one of the action songs. The invitations have been given to all parents with the necessary information for the graduation ceremony to be held on Friday the 30<sup>th</sup> of November @5pm. The children who are not attending the centre on a Friday they need to be in their rooms by 4pm on the day as we need to prepare them for the event. Please see Sandra for any other information.***

***The homework books have been sent back home with the last activity sheet for the year. Thank you very much for your cooperation with helping your child doing their home work. It has been a pleasure seeing the children doing the tasks and bringing the book back to us. It will undoubtedly be helpful for them in their prep year when they start the school homework.***

***The Christmas is on the way as you will see our children have started their Christmas art and craft. If you're finishing early for the holidays please let us know so we can arrange their portfolios to be handed out before you leave.***

***It is all from us and thank you for your support during a very successful year of learning, engaging and friendships. It's sad to say goodbye to the children but we enjoyed our time with them in helping to start their next phase of life.***

***Regards,***

***Anila, Joyce, Jas & Rajneek***
